

CERT Minutes

February 16, 2022

The Pledge to the flag was done prior to our guest speaker, Chris Ralston, from the Manatee County Sheriff Office, giving the residents a presentation on “Active Assailant” (prior name, Active Shooter”)

After the presentation, we had an informal meeting to discuss the prior and upcoming breakfasts.

Minutes from the January meeting were approved as written.

Treasure’s Report: We have \$1154.85 at this time. The January Breakfast proceeds are not included.

Cathy will bake the biscuits and fix the omelet trays. Sharon and Mary Lou will shop and bring 6 casseroles each (1/2 pans). Mary Lou will fix the omelet eggs and the cinnamon rolls (10 doz). Laura will make the biscuit gravy. Dan and Cathy will bring toasters for Panera bagels. Mary Lou will bring cream cheese for the bagels.

There was a discussion of minor trailer needs (tire covers, solar panel, etc.). Steve moved and Mary Lou seconded the motion to authorize Steve to spend up to \$300.00 for items.

Cedar Hammock Fire Department has asked CERT to provide someone to accompany them for some presentations to the community to explain CERT’s value in an emergency.

Respectfully submitted

Mary Lou Smith

CERT Secretary
