

MINUTES OCTOBER 19, 2022 CERT MEETING

Members present: Mary Wadman, Mickey Mattson, Charlie Rizzo, Donald Mattson, Jim Lombard, Terri Lombard, Cathy Faggioni, Jim Brunett, Laura Freese, Steve Watkins, and Sharon Denson

Meeting called to order at 10:00AM followed by the pledge to the flag.

Minutes of the September were approved as distributed.

Treasure report, \$1,921.87

Discussed Hurricane Ian, what worked and what did not. Activity building worked well but needed a lantern to get started. Jim was alone as Judy was still at hotel. Must correct for future events/drills. We would have better records if we used a steno pad. Jim volunteered to donate the steno pads. Laura has gotten the data base from the office and is going to give to Cathy.

The team would like to have business cards in their pockets to hand out at all events. Approved Dan to order 200 business cards.

Laura bought a card for the retirement of Fire Chief Hoyle and it was passed around for team to sign.

Breakfast coming up in December, a committee meeting was scheduled for Nov 15th at the beach, 10:00AM.

HAM classes to be held 2/8, 2/10, 2/15/ and 2/17, 2023 from 6:00 PM to 9:30 PM.

Steve received the decals for the two trailers, he will get with Dan to put on trailer.

We discussed purchasing magnetic CERT decals for the vehicles being used during a drill or event. It was decided that we would look at options for the cars/trucks. The decals would be kept with the radios and distributed with the radios.

We have been asked to participate in a project for a graduate student in South Florida in Tampa. The team approved the survey participation and Sharon to fill out the survey.

We have been asked to set up a table at the District movie night on Nov 5th to register residents for our data base. This was approved for Nov 5th only. We are also invited to set up a table at any district event for the purpose of registering residents for our database.

Meeting adjourned

Respectfully submitted

Sharon Denson in the absence of the secretary
